

ULTRAFLOW™ MAT

NO MORE -OOH MY ACHING BACK

The UltraFlow anti-fatigue mat will provide comfort to your feet, legs, back, and more. The durable surface texture and design helps to prevent slipping, while the studded pattern on the bottom permits drainage and air circulation.

DEVELOPED FOR PERFORMANCE

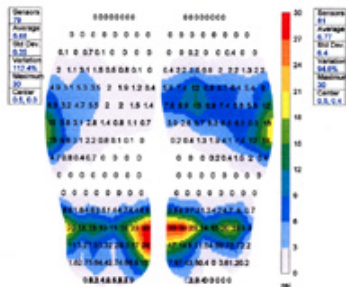

The UltraFlow mat was developed to provide premium performance in kitchens, bars, freezers, and food processing areas, only to name a few. The mat is produced using a patented nitrile rubber construction which provides in a unique flow through design. It is oil and solvent resistant and meets all ADA height guidelines.

DURABLE AND SAFE

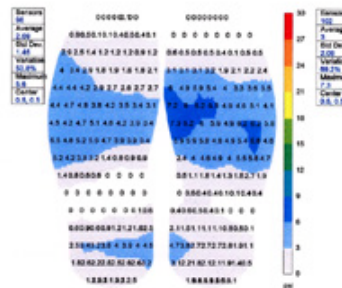

UltraFlow is easy to clean with pressure hoses and is durable enough to withstand industrial laundry systems without damage. The durable construction of the UltraFlow mat will provide cushion comfort and safety for years to come.
